

HOW TO USE TOWA APN LABEL APPLICATOR

1. Turn the Label Holder counterclockwise to 'OPEN' and remove it.

2. Place a label roll and put the Label Holder on it, then turn it clockwise to 'CLOSE'.

Open the Bottom Cover and insert the label from the side under the transparent Label Pressor, then close the Bottom Cover.

3. Lock it by pushing the Bottom Hook towards the opposite direction of a red arrow (OPEN).

4. Stick a label on the object by squeezing a lever gently.
